1. Most of the troops from Plauen (M 51/K 12) were still away at a summer camp on 12 August 1950. Not more than 100 troops were estimated to be in Plauen at that time. The Artillerie Kaserne still housed a signal unit of about 80 men.

* Comment. The information does not indicate any changes since the report of mid-June 1950 furnished by the same source. [redacted]
